

Vistancia Constructora

Official Notice – August 28, 2028

We are pleased to announce that we have reached an important milestone in the process of stabilizing and ensuring transparency in the **Vistancia Caribe Residences** project. While the *fideicomiso* (trust fund/guarantee fund) has not yet been finalized, we are now in a position to share with you more detailed information regarding your investment.

Information Release

Starting **Tuesday, September 2, 2025**, a comprehensive information document will be available on our website in the **Official Communications Center** section.

This document will include the following:

- **Location:** Detailed information on the site and characteristics of the project.
- **Contracts:** Updates on current contracts and their status.
- **Property Titles:** Clear explanations on the progress and evolution of property titles.
- **Plans:** Updated project plans to better visualize the progress made.

Important Notes

Although this information will now be accessible, please note that **final contracts with clients cannot yet be signed**, as the *fideicomiso* is still pending. Consequently, **payments cannot resume at this stage**. We will keep you informed as soon as this step is completed.

Why Is This Important?

This document is designed to **reinforce transparency** and address your questions regarding the current state of the project. It marks a significant step forward and reflects our commitment to keeping you informed at every stage of the process.

Access to Information

You will be able to consult this information starting **Tuesday, September 2, 2025**, on our website: <https://www.vistanciacaribe.com/official-communications-center>
