

Vistancia Constructora

Official Notice – June 5, 2026

We wish to inform you that the transition process toward the new **Nakua Residences** project is now in its final stage.

All prerequisites have been fulfilled:

- The **Nakua Punta Cana Residential Real Estate Trust (Fideicomiso Inmobiliario Residencial Nakua Punta Cana)** was officially approved by **Fiduciaria Reservas, S.A.** on April 16, 2026,
- All technical, legal, and administrative documentation is ready,
- The fiduciary bank is awaiting **only one final detail**: the issuance of the “**Registro Nacional de Contribuyentes (RNC)**” for the trust agreement.

World Activities is also waiting solely for this last step to:

- Finalize the tacit novation of all original contracts,
- Publish the unit-to-unit equivalence schedule,
- Communicate the updated payment and delivery timeline,
- Resume payments under full fiduciary guarantee.

We fully understand your eagerness and share your commitment to moving this project forward. Please be assured that we are doing everything within our power to expedite this final administrative requirement—though it is partially outside our direct control.

As soon as the RNC is issued, an official communication will be sent to all stakeholders, accompanied by the contractual documents for signature.

Thank you once again for your trust, patience, and continued collaboration.

Sincerely,

The Transition Team

Vistancia Constructora S.R.L.
